++ Valid for broadcast between 1800 and 0600

Headline:
Wet and windy tonight. Further rain on Wednesday afternoon.

This Evening and Tonight:
Outbreaks of heavy rain and strong to gale force southerly winds, severe gales across the Western Isles. Clearer conditions with a few showers later in the night and winds easing.

Wednesday:
Some drier and brighter spells at first in the east, but further wet and windy weather will push northeast during the day. Gales at times around the coast.

Outlook for Thursday to Saturday:
Cold and windy with heavy blustery showers during Thursday and Friday, wintry on high ground. Drier and brighter in the east. Winds easing on Saturday and showers more scattered.
